## DIVISORIO CASSETTI IN ALLUMINIO ALUMINIUM DRAWERS DIVIDER

ART. 800

IT

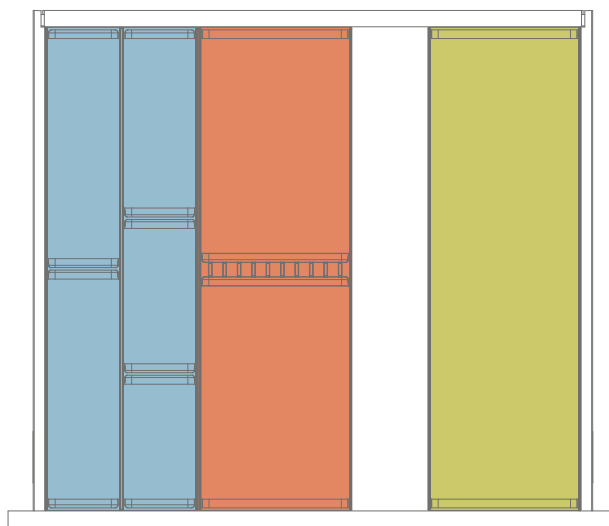

Euroorvel propone un sistema divisorio cassetti in alluminio composto da due profili, doppio canale e vasca singola, tagliabili a misura secondo necessità, gusto ed esigenze.

Articolato con tappi in plastica e divisori posizionabili a piacimento, grazie all' innovativo sistema ad incastro che utilizzano, è disponibile in 3 finiture.

EN

Euroorvel presents an aluminium divider system for drawers consisting of two profiles, double rail and single tray, that can be easily cut according to your own need and taste.

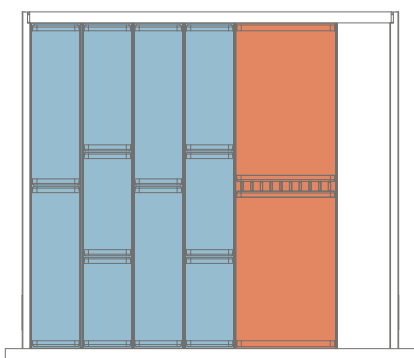

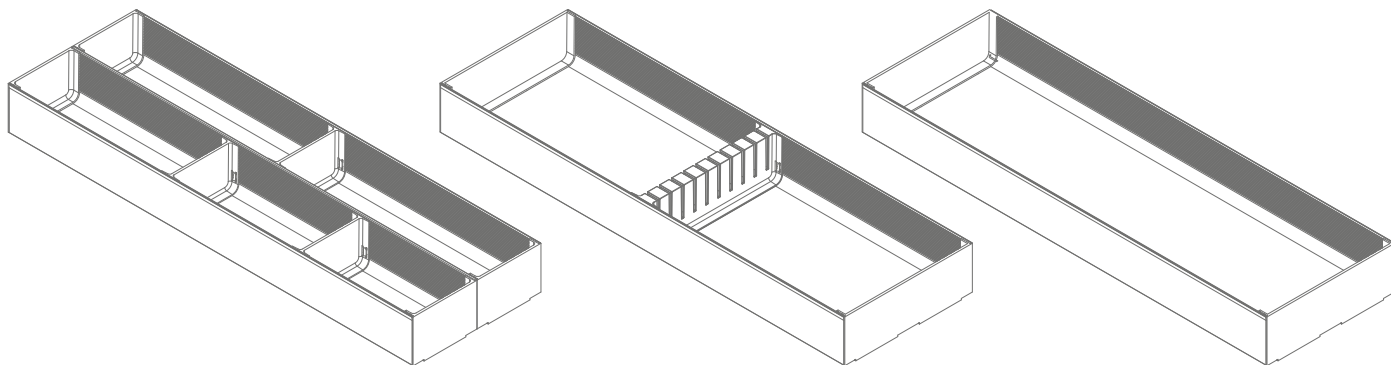

It is available in 3 different finishes and equipped with plastic end caps and dividers in matching colour that can be placed as needed thanks to an innovative snap-fit system.
